

Dormitory Housing • Cabins 1-8

Cabins 1-8 at Camp Kuratli are set up with a common sleeping area and one “counselor” room. A total of 185 people can be housed in cabins.

Each cabin has bunk-bed style accommodations. No linens are provided for the cabins; guests will need to bring their own sleeping bags and towels.

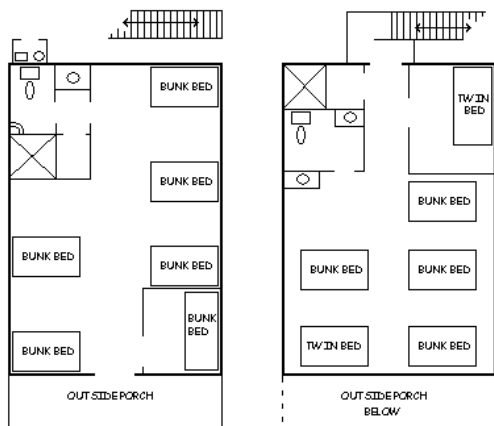

Each floor is separate and has its own access. Downstairs cabins are accessed through a door at the front of the building. Upstairs cabins are accessed through a stairwell at the back of the cabin. The lower levels of Cabins 3 & 6 are wheelchair accessible.

Each floor has a restroom, which includes a toilet, sink area, and shower. Additional boys bathrooms and showers are located on the ground floor of Tillamook cabin, servicing cabins 1-4. Additional girls bathrooms and showers are located in the ground floor of Sandy cabin, servicing cabins 5-8.

Schematics are provided below to show the overall layout of the cabins. The pages that follow are for making cabin lists.

Cabins 1, 2, & 4

960 sq.ft. Total / per cabin
