

Private Lodging

Private lodging at Camp Kuratli means that guests have their own bedroom and bath. The various buildings designed to be private housing were arranged for the greatest possible versatility, to accommodate everything from a personal retreat to a small group gathering to a family reunion.

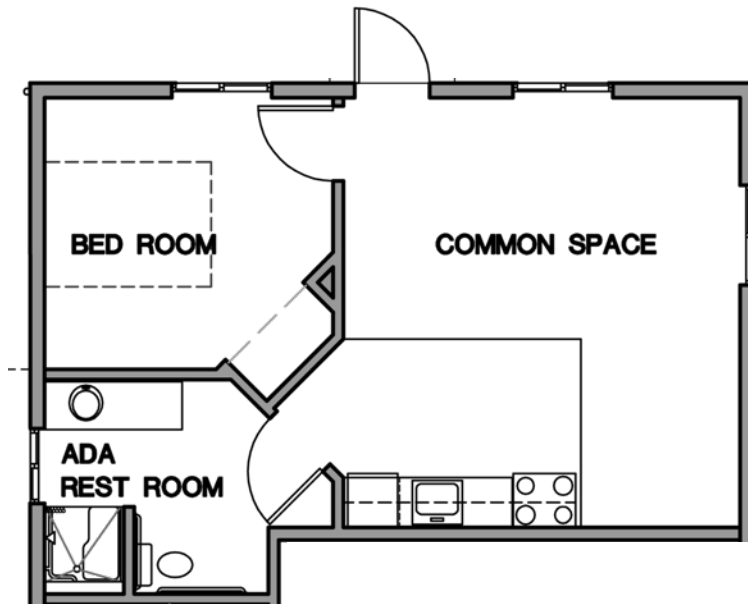

We can comfortably house 47 in private housing. (Over 50 if hide-a-beds in the "Chetco" Duplex are used. Linens are provided for all of our private lodging.

Cabin 9, the "Chetco" Duplex, and the Rippling Waters Lodge have kitchen areas. The Duplex is ideal for families as kids can sleep on the hide-a-bed. For larger families, we can open up the connecting doors and keep everyone together under one roof.

Schematics and sign-up sheets are provided in the pages that follow.
